Add a chubby girl and I recommend to the world.. This masterfully crafted brave new story from Transcendent Games has finally allowed me to live out one of my most long held and cherished adolescent fantasies.. 10/10 This game is literally my real life, in Visual Novel form.. This game basically embodies the phrase: "Sometimes you just have to stop asking why, and ask why not?" BeCarefulNotToBuyIslandsOnlineByMistake/ 10. this game is the best game i will ever buy and it a cool idea. and i have this weird feeling when i play this.
